F FAUCET DRILLING CONFIGURATIONS NOTE: An undercounter light (-LGT) may need to be eliminated or relocated with a deck mounted faucet. INIT.

Drilling Instructions

- Select one:
- Standard Drilling for Deck
 - Custom Drilling (See separate Custom Mounting Template)

Customer Supplies Own Faucet

- Select as applicable:
- FBO **Faucet by Others** - Customer will supply own faucet(s). Custom Faucet Drilling Template (separate sheet) must be submitted indicating where the resin deck needs to be drilled for faucets (including spout/control handles).
 - NFD **No Faucet Drilling** - Customer will supply own faucet however, spout and control handle(s) will both be wall mounted.

Orders will not be processed until specification sheets including faucet drilling worksheets are complete and signed. No cancellations.

Now it's your turn! Please fill in blanks provided on the top line to assemble the model number corresponding to the features you want on your Ebb Concept.

COLOR RESIN DISCLAIMER

Please be aware that Neo-Metro makes every attempt to achieve color correctness. Neo-Metro does build the Ebb Concept with the assumption that the color will match when the customer uses either the Neo-Metro lighting system or some other lighting system provided by the client. If your Ebb Concept will be used with out the lights, you need to notify Neo-Metro prior to manufacturing due to the fact the resin will appear to have different colors.

Orders will not be processed until specification sheets including faucet drilling worksheets are complete and signed.
NO CANCELLATIONS.

24" Ebb® Concept Console/Table

PRODUCT Specification . . . The 24" Ebb Concept Console /Table includes a 2" (51mm) thick resin or solid surface (RDC10) deck with an opening to accommodate an under mounted Ebb Basin. The unit is configured for the 3668 Deep Ebb Basin or 3669 Shallow Ebb Basin. All Ebb Basins have 1-1/2" UNI close elbow waste connections. The basin is available in a Satin (standard), Mira (high polish), or White Powdercoat Finish. The frame is constructed out of Satin Finish (standard) stainless steel rectangular tubing. The stainless steel frame is also available in Mira Finish or a White Gloss Powdercoated Finish. The resin countertop is

available in a variety of standard colors. Neo-Metro can also custom color match the resin deck to a Pantone® color or customer color sample. A white solid surface counter top is additionally available. Resin or solid surface side panels are optionally available. An optional storage shelf is available. Adjustable levelers are provided on each leg for uneven floors. Installation instructions are provided. An under counter LED lighting system is available with resin countertops. Neo-Metro stainless steel faucets are available and sold separately.
