

REMBRANDT - FREE STANDING

Rembrandt van Rijn was a legendary artist, and one of the most beloved of the so-called Old Masters. His remarkable images convey the power and passion of a man devoted to his art, and his paintings demonstrate an uncanny ability to capture subtle nuances of emotion. Likewise, the beautifully elegant Rembrandt tub with its subtle sloping curves will inspire both your passion and emotion.

REMBRANDT - FREE STANDING THERMAL AIR

Wash away stress and fatigue with our thermal air system. Thousands of tiny heated bubbles engulf your body in a therapeutic massage from the top of your neck to the soles of your feet. Numerous air outlets placed throughout the lower portion of the bathing well providing an entire body experience that will soothe the body and calm the soul.

The Thermal Air System can be added to any Maestro Tub. Our exclusive Soft touch control puts you in control of your therapy. Whether you desire a high intensity massage to help you prepare for the day ahead, or you want the soft soothing feel of bubbles to prepare yourself for a nights rest, Maestro is your solution. With our true Variable speed system, you manage the duration, intensity and type of massage you desire. This system also has a standard automatic purge cycle that introduces ozone to ensure a sanitary environment after each use.

Maestro Tub Thermal Air Options:

- 1 HP Blower with 600 watt heater
- 7 Functions
- 5 Speeds + Pulsate & Wave
- Hydrozone
- 3/32 of an inch hole size, located every 2" along radius of bath tub
- Chroma-therapy LED lighting system
- Optional Remote Control
- Custom Blower location optional (up to 8 feet)

Optional Remote Control
