Remarks

*all measures have a precision of ± 1/4" (0,63cm)
 *internal dimensions taken at 4" (10cm) from bath bottom
 *capacity is measured by filling the soaker to 1-1/2" under the overflow
 *textured skirt available on all freestand products
 *shelf height is 3/4" on all "low-profile" models

Options and installation

*accessories and decorative lines positions are approximative

Additional(s) note(s) :

Over-flow must be installed with flexible piping. When ordered with AeroMassage™ or Super AeroMassage™, blower must be relocated. Keypad not installed when ordered with remote control.

*It is possible that faucets may be installed elsewhere on the product. Verify, directly on the product, that there are no conflicting parts before drilling.

IMPORTANT NOTE : Specifications, dimensions and models are subject to change.

Visit our website <http://www.oceania-attitude.com> to access up-to-date dimensions and informations. In all cases, information on the website is the most up-to-date. Dimensions may vary slightly. To ensure proper fit, mesurements must be taken on the product directly.
