**COLOR RESIN DISCLAIMER**

Please be aware that Neo-Metro makes every attempt to achieve color correctness. Neo-Metro does build the Ebb Concept with the assumption that the color will match when the customer uses either the Neo-Metro lighting system or some other lighting system provided by the client. If your Ebb Concept will be used with out the lights, you need to notify Neo-Metro prior to manufacturing due to the fact the resin will appear to have different colors.

# 36" Ebb® Concept Console/Table

**PRODUCT Specification . . .** The 36" Ebb Concept Console/Table includes a 2" (51mm) thick resin or solid surface (RDC10) deck with an opening to accommodate an under mounted Ebb Basin. The unit is configured for the 3670 Deep Ebb Basin or 3673 Shallow Ebb Basin. A 1-1/4" UNI close elbow is provided for the Ebb Basin drain. The waste assembly is not provided. The basin can be placed on either left (-LH) or right (-RH) side of a 13" (330 mm) counter space. A center (-CTR) configuration is also available leaving 9-1/2" (241 mm) on both sides. The frame is constructed of Satin Finish (standard) stainless steel rectangular tubing. The stainless steel frame is also available in Mira Finish, White Gloss Powdercoating or

Black Matte Powdercoating. The resin countertop is available in a variety of standard colors. Neo-Metro can also custom color match the resin deck to a Pantone® color or customer color sample. A white solid surface countertop is additionally available. Side panels match the selected countertop material. Storage shelf and towel bar options are available. Adjustable levelers are provided on each leg for uneven floors. An under counter LED lighting system is available with resin countertops only. Neo-Metro stainless steel faucets are available and sold separately.

Neo-Metro assumes no responsibility for use of void or suspended data. All dimensions are nominal and subject to manufacturer change without notice.
