Remarks	
* all measures have a precision of ± 1/4" (0,63cm)	
* internal dimensions taken at 4" (10cm) from bath bottom	
* capacity is measured by filling the soaker to 1-1/2" under the overflow	
* textured skirt available on all freestand products	
* shelf height is 3/4" on all "low-profile" models	

Options and installation

* accessories and decorative lines positions are approximative

Additional(s) note(s) :

Over-flow must be installed with flexible piping. When ordered with AeroMassage™ or Super AeroMassage™, blower must be relocated. Keypad not installed when ordered with remote control.

* It is possible that faucets may be installed elsewhere on the product. Verify, directly on the product, that there are no conflicting parts before drilling.
