Now it's your turn! Please fill in blanks provided on the top line to assemble the model number corresponding to the features you want on your Ebb Concept.

COLOR RESIN DISCLAIMER

Please be aware that Neo-Metro makes every attempt to achieve color correctness. Neo-Metro does build the Ebb Concept with the assumption that the color will match when the customer uses either the Neo-Metro lighting system or some other lighting system provided by the client. If your Ebb Concept will be used with out the lights, you need to notify Neo-Metro prior to manufacturing due to the fact the resin will appear to have different colors.

Orders will not be processed until specification sheets including faucet drilling worksheets are complete and signed. NO CANCELLATIONS.
