

ASSEMBLY INSTRUCTION**5HETL or 5HEJL****FOUR PIECE ROMAN TUB FILLER WITH HAND HELD SHOWER****5HETL****5HEJL****REMOVAL OF FAUCET:**

Always turn the water supply off before removing the existing faucet or disassembling a valve. Open both faucet handles to relieve water pressure and to ensure that the water has been successfully turned off.

CARE OF FAUCET:

The use of warm water and a soft cloth is all that is required to clean Rubinet products. The patina of our living finishes (Oil Rubbed Bronze & Tuscan Brass) will change as a result of normal use. Applying Mineral Oil on occasion will create a softer look, subtle color changes and character.

1

* Adjust the top side Brass Nut so that the correct sidebody height is achieved using the JIG as shown.

After adjusting the valve height, tighten the brass nuts on both top & bottom side to secure.

Do not over tighten.
Use hand only.

AERATOR REMOVAL

Turn counter-clock wise to unscrew.

- Brass construction with choice of 21 finishes
- 3/4" Valves with quarter turn, ceramic disc cartridges
- Diverter button in spout base
- Flexible Stainless Steel supply hoses for easy installation
