

**ASSEMBLY INSTRUCTION****8XHXL or C****WALL MOUNT KITCHEN BRIDGE FAUCET WITH HAND SPRAY****8XHXL****8XHXC****REMOVAL OF FAUCET:**

Always turn the water supply off before removing the existing faucet or disassembling a valve. Open both faucet handles to relieve water pressure and to ensure that the water has been successfully turned off.

**CARE OF FAUCET:**

The use of warm water and a soft cloth is all that is required to clean Rubinet products. The patina of our living finishes (Oil Rubbed Bronze & Tuscan Brass) will change as a result of normal use. Applying Mineral Oil on occasion will create a softer look, subtle color changes and character.
