

05-10-2023

FEATURES:

- Brass construction with choice of 25 finishes
- Pressure Balance cartridge allows both volume and temperature control
- 8" Shower Head with Jets (2.5 gpm)
- Hand Held Shower (2.5 gpm)

REMOVAL OF FIXTURE:

Always turn the water supply off before removing the existing fixture or disassembling a valve. Open both faucet handles to relieve water pressure and to ensure that the water has been successfully turned off.

CARE OF FIXTURE:

The use of warm water and a soft cloth is all that is required to clean Rubinet products. The patina of our living finishes (Oil Rubbed Bronze & Tuscan Brass) will change as a result of normal use. Applying Mineral Oil on occasion will create a softer look, subtle color changes and character.

CONTACT US:

If you need assistance with installation, replacement parts or have any questions regarding your Rubinet product, please call a Customer Service representative at: 905-851-6781 toll free 1-800-461-5901 or visit www.rubinet.com
