IMPORTANT ORDERING & INSTALLATION INFORMATION

- Before ordering or installing, please consider future access to equipment.
- Unless ordering Sculpted Finish on 4 sides, please include a diagram specifying which sides will need to be finished, along with location of optional tile flange(s).
- Overflow is factory installed for provided toe tap drain.
- When ordering an air bath, the air blower must be remote mounted.
- Microbubbles system components must be installed on a non-Sculpted Finish side. Components will extend beyond the perimeter of the tub. Call MTI for specific details regarding the desired installation before placing the order.
- Radiance placed on floor locations will affect placement of air jets.
- Hydrotherapy equipment may ship loose for remote installation. See package content on the following page for details.
- Faucet valves cannot be installed on this tub model.

- Options and accessories may be packaged inside the tub crate. Always check packaging before discarding.
- All product measurements are $\pm 1/2"$.
- Specifications and configurations are subject to change without notice.
- Measurements herein supersede all others published prior to publication date below.
