IMPORTANT ORDERING & INSTALLATION INFORMATION:

- Before ordering or installing, please consider future access to equipment.
- When ordering an air bath, the air blower must be remote mounted.
- If tub is equipped with Chromatherapy, the control box must be remote mounted.
- This tub has an extruded area on the drain side with a removable access panel for installation of waste and overflow kit (see image to the right). If the tub is ordered without the removable panel, the extruded area will still be visible and cannot be eliminated. Installation will be more difficult without the access panel.
