

Melinda 6

71.25" x 35.5" x 23.5"

GENERAL SPECIFICATIONS:

Material - Acrylic

Installation - Freestanding

Not recommended as a tub / shower combination.

Soaker Weight - 121 lbs / 55 kg

Maximum Fill - 90 gal to overflow

NOTE: Filling this tub to the maximum may require an above average size or dedicated water heater.

The Melinda 6 features a 4.5"-wide flat deck surface on the drain side for mounting faucetry.

The drain & overflow assembly is concealed between the walls of the tub, eliminating the need for an exposed drain kit.

Shown with Air Massage Package.

Standard one-piece tub construction with access panel.

Also available as a two-piece construction without access panel.

See "Important Ordering and Installation Information" below and "Installation Aids" on next page.

Optional one-piece pedestal base. Does not increase height of tub.

ELECTRICAL COMPONENTS & SPECIFICATIONS

Required Electrical Service - 110 Volt

Hydrotherapy Package	Components Included	GFCI
Air Massage	heated blower	1-15 amp
Air Massage Elite	heated blower, chromatherapy	1-15 amp

For electrical requirements of tub options, see page C-2.

CSA Certified C/US; ANSI Z124.1 for plastic tubs and ANSI 112.19.7 for whirlpool components.

IMPORTANT ORDERING & INSTALLATION INFORMATION:

- This freestanding tub comes equipped with an access panel on the drain side (shown to the right) to facilitate installation of faucet, drain and overflow. If the tub will be viewable from all angles, MTI offers an optional 2-piece tub construction, which eliminates the access panel. Comprehensive installation instructions ship with tub and are also available on mtibaths.com.
- Optional pedestal base ships loose with tub and does not increase overall height.
- Before ordering or installing, please consider future access to equipment.
- When ordering an air bath, the air blower must be remote mounted.
- Specifications and configurations are subject to change without notice.
- Measurements are ±1/2" and are subject to change without notice.
- Measurements herein supersede all others published prior to publication date shown below.

See the "Designer Collection Tubs Installation & Operation Manual" included with tub delivery or go to mtibaths.com/support/installation_operation/manuals for all the information necessary to install and operate the tub.

MTI's Customer Service Department is available Monday-Friday 8am-6pm EST at 800-783-8827 or customerservice@mtibaths.com to answer any questions pertaining to ordering or installation.

Inside view of tub.

Options Information

Radiance -
Integrated tub surface heating system designed to warm the interior surface of the bathing well. Utilizes electric heating grids for 2 zones; either both backrests or a single backrest and one seated area of the tub floor. See page C-5 for detailed specifications.

Chromatherapy -
Underwater lighting provided by two digitally controlled LED lights. A control button allows a selection of constant colors or preset programs to achieve the desired lighting effects & utilize these chromatic energy sources. See page C-6 for detailed specifications.

Virtual Spout -
Integrated high-flow filler spout that is factory-installed on the inside wall of the tub. See page C-11 for detailed specifications.

Decorative Towel Bar -
Heavy-duty towel bar is both decorative and functional. Manufactured of high-quality stainless steel for strength and durability. See page C-17 for detailed specifications.

Concealed Air Blower Box -
Designed to hide air blower next to tub when ordered with an air bath package. If tub is ordered as a soaker, it can also be used to mount faucetry. See page C-17 for detailed specifications.

Teak Tub Tray -
Ideal surface for holding a book, beverage or bath accessories. Two styles available. See page C-15 for detailed specifications.

Teak Bath Mat -
Provides a slip-resistant surface to enter and exit the bath. Smooth, durable teak combines beauty with practicality. See page C-15 for detailed specifications.
