

PRODUCT DESCRIPTION

Let Northstar® point the way toward endless relaxation and entertainment possibilities. With its modern design, high-definition screen, and waterproof construction, taking a warm, soothing soak while watching your favorite movie or TV show is the ultimate experience in luxury. Northstar is also an ideal solution for kitchen environments. Its splash-proof design ensures you'll never have to miss a show while creating a menu of culinary delights.

SPECIFICATION STATEMENT

Solution shall consist of a waterproof 1080P HD TV with forward-facing surround sound speakers. It must be certified to IP66 to be dust and water jet proof. It shall include a metal back-box for recessing the TV into a prepared wall cabinet. Unit shall integrate a media player via USB supporting video and audio playback. Screen life shall exceed 20,000 hours. It shall include a programmable, waterproof, infrared remote control.

THE ELECTRIC MIRROR ADVANTAGE

- ☑ Global mirror technology leader for over 20 years
