IMPORTANT ORDERING & INSTALLATION INFORMATION:

- Before ordering or installing, please consider future access to equipment.
- Comes equipped with an magnetic access panel on the drain side for installation of the valves and toe tap drain.
- This tub cannot be ordered without an access panel.
- Air baths require job site preparations for remote mounting the blower.
- Hydrotherapy equipment may ship loose for remote installation depending on tub model. See package content on the following page for details.
- Radiance placed on floor locations will affect placement of air jets.
- All tubs are in accordance with CSA B45.5/IAPMO Z124 standard and compliant with ASTM C 1028-07 coefficient of friction. DoloMatte meets ANSI A137.1/A326.3 coefficient of friction and AS HB198:2014 pendulum slip resistance testing.

- Before discarding tub packaging, check for accessories that may be packaged inside.
- All product measurements are $\pm 1/2"$.
- Specifications and configurations are subject to change without notice.
- Measurements herein supersede all others published prior to publication date below.
