Decorative Wall Mirror Installation Instructions

Congratulations on your purchase of Americas finest Mirrored Cabinet Accessories by GlassCrafters, Inc. World class engineering and state of the art design will enable you to enjoy your wall mirror & cabinet for many years to come. We realize that the marketplace offers many choices and we thank you for selecting GlassCrafters for your bath mirror and cabinet needs.

The following instruction sheet must be used with the Mirrored Cabinet installation instructions and the Center Shelf installation sheet.

To properly install your GlassCrafter Decorative Wall Mirror you must determine the height and width of the mirror. The following installation guide will walk you through the installation of a C-FM-3030 mirror.

Determine the height above the finished floor or sink cabinet. (Note: when installing with Mirrored cabinets the cabinets require a minimum of 1" above any faucet height or other obstruction for the door swing). Scribe a level horizontal line for the base of the mirror.

Determine the width of the entire unit you are installing. Scribe a plumb center line for the position of this unit. The sample mirror is 30" wide so you would mark the left and right edge of the mirror 15" on either side of the centerline.

Measure up 24" from the horizontal base line and make a level horizontal line for the location of the bottom Wall Mount Mirror Bracket (466-00).

Measure in from the marks for the left and right edge of the mirror and mark this position. Hold the Wall Mount Bracket on the inside of each mark and scribe the hole position for each bracket. Drill the holes using a 3/16" masonry bit. Insert one plastic wall anchor (#10PWA) in each hole. Using the wall anchor screws (#10x1 1/2") Phillips Screws fasten each bracket to the wall. Test the fit of the mirror.

Your GlassCrafters Wall Mirror has the Single Mirror Bracket (#465-00) pre-installed to the backside of the mirror along with the three foam pads.

If this Wall Mirror is being installed with Mirrored Cabinets follow the cabinet instructions for the order of installation.

When you are ready to install the Wall Mirror remove the tape from the foam pads and carefully lower the mirror onto the wall bracket to a level position. Do not let the foam pads adhere to the wall prior to the final position of the mirror. Check to make sure that both brackets are properly engaged before releasing the mirror. Apply slight pressure to engage the foam pads

Please use extreme care while unpacking and handling your GlassCrafters' Decorative Wall Mirror & Accessories. Report any damage immediately to our GlassCrafters customer service team at 800-233-7362, Monday thru Friday from 8:00 am to 5:00 pm (EST)

Parts List for Decorative Wall Mirror

Cleaning Recommendations:

Never use abrasive cleaners or cleaners containing ammonia. This may cause chemical damage to the mirror and void the warranty.

For cleaning the mirror, we recommend using ammonia free Sprayway brand glass cleaner, which is available at a variety of retail outlets. www.sprayway-inc.com/content/glass-cleaner

WARRANTY

GlassCrafters, Inc. offers a Limited 3 Year Warranty on all mirrored cabinet products. GlassCrafters' warranty provides the original purchaser a guarantee that it will replace or at its own discretion repair products shown to have substantial defects in workmanship or materials. These claims must be filed with your dealer or professional installer and forwarded in writing to GlassCrafters within three years of the delivery date to the end user of the product. GlassCrafters shall not be responsible for any installation or removal costs. This warranty does not apply to the following, chemical or natural corrosion of the mirror. The use of abrasive cleaners or cleaners containing ammonia will cause chemical damage to the mirror, voiding this warranty.

The GlassCrafters warranty does not cover product that is damaged in shipping, accidents in handling during installation or if the reported defects are a result of faulty installation, abuse, misuse, abnormal wear, poor maintenance, accident or repairs by service personnel other than the original professional installer as authorized by GlassCrafters. After the three year period GlassCrafters shall not have any further obligation, expressed or implied including merchantability under the Limited Warranty.

Blum hinges and soft closing cushions have a separate lifetime warranty from Blum, Inc. This warranty is against defects in materials and workmanship as long as the original consumer owns the product. This is a warranty of replacement. After verification of defect, Blum, Inc. will send replacement hardware without charge.

GlassCrafters shall not have any liability for any consequential damages stemming from or in connection with the use per performance of this product. Prevailing state law on the limits of the implied warranty will apply.

The liability of GlassCrafters under any implied or expressed warranty, including merchantability, is expressly limited to the terms of this warranty. Any claim under this warranty must be made directly to the dealer of record.

Permission to return any merchandise under this warranty must be authorized in writing by GlassCrafters and must include prepaid shipping by the purchaser.
